Celebrate Life Cancer Support Group works to assist, educate, support and encourage newly-diagnosed cancer patients. The group hosts informative speakers each month and organizes a "Pampering Night", a summer picnic, and a Christmas party each year. Funds are used to provide transportation assistance, medicine, supplies, utility bills and other special needs a cancer patient may face during treatment. In addition, an outreach program called

"Manna from Heaven" supplies snacks to chemotherapy and radiation waiting rooms at the Morristown Regional Cancer Center.
